gross motor, cognitive, adaptive, social-communication, and social. The assessment encompasses preacademic content areas such as preliteracy, numeracy, and pre-writing.

AEPS® - Brookes Publishing Co.

Used after the AEPS® Test is completed and scored, this developmentally sequenced curriculum allows professionals to match the child's IFSP/IEP goals and objectives with activity-based interventions—beginning with simple skills and moving on to more advanced skills. Because the AEPS Curriculum for Three to Six Years uses the same numbering system as the AEPS Test, users can easily locate activities in the curriculum that correspond to specific goals and objectives identified with the test.

From the time the AEPS Birth to Three Years was first field tested, there was pressure to expand the system to cover the entire preschool age range. In 1985, work was begun on the developmental of a test and associated curriculum to address the developmental range from three to six years. Slentz field tested the first version (1986).
