While on holiday in August 1926, Stanislavski began to develop what would become An Actor's Work, his manual for actors written in the form of a fictional student's diary. Ideally, Stanislavski felt, it would consist of two volumes: the first would detail the actor's inner experiencing and outer, physical embodiment; the second would address rehearsal processes.

Stanislavski's 'system' has dominated actor-training in the West since his writings were first translated into English in the 1920s and 30s. His systematic attempt to outline a psycho-physical technique for acting single-handedly revolutionized standards of acting in the theatre. Until now, readers and students have had to contend with inaccurate, misleading and difficult-to-read English ...
