It's August in Sicily and the heat is on Inspector Salvo Montalbano in more ways than one. Grappling with the brutal murder of a young girl, a turbulent love life, and a fruitless search for the last electric fan in town, the indomitable Montalbano approaches every situation with his customary dry wit and cynicism. Camilleri underpins the story with caustic sideswipes at the political and criminal elements of Sicilian society, which always make his books ...

The August heat is so oppressive Montalbano's clothes stick to his back like his shoes stick to the hot pavement. This is as close as I can get to Sicily without getting a passport. As usual Camilleri adroitly captures the essence of maffiosi, bureaucratic layers of overlapping police jurisdictions, serpentine inter-twining of political and mafia corruption.
