Cartographies of the Imagination is an upcoming two-week experimental drawing festival of drawing held in the RIBA award-winning OmVed Gardens and Glasshouse. The otherworldly setting forms the inspiration for a series of conversations, screenings, workshops and a growing exhibition exploring the world of mapping between the drawn and the imagined.

CARTOGRAPHIES OF THE IMAGINATION

It is similar to saying that someone (or a place) is on the other side of something. I live across from a supermarket (= it is on the other side of the road) The chess players sat opposite each other before they began their game. (= They are in front of each other and there is a table between them)

Prepositions of Place

She's at the library. -- the emphasis is on the her location and the type of place she has gone to. She's in the library. --the emphasis is on the type of building she is in. Both of these sentences are fine to answer the question, "Where is she?" Now decide which preposition needs to be used:
