List of Free Online Cartooning Lessons and Learning Materials
Cartooning is a picture intended as satire, caricature, or humor. Cartoons are often featured in print publications and online publications, like blogs and websites. Sometimes cartoons will consist of just one picture, while others will consist of several pictures. Typically, characters and scenes in most cartoons are not drawn realistically.

Cartooning - Illustration History
How to Teach Cartooning. The basics of drawing are the same regardless of what a student is drawing. Most artists can break a subject down into its most basic geometric parts. What sets

cartooning apart is the ability of the artist to exaggerate the movements of the characters and to use "camera" angles to their best advantage to tell the story. Additionally, students will learn quite a bit about cartooning by studying source materials and drawing from life each day.

How to Teach Cartooning | Synonym

This is the first cartooning book specifically designed for the person who has never drawn cartoons before. With carefully crafted, clear step-by-step drawings and an amazing abundance of hints and tips, you'll gain the confidence and skill needed to draw cartoons the way you've always wanted to.
