Something has happened to Peter Robinson's Inspector Banks series. Abattoir Blues, the 22nd outing in the sequence, feels like a lazy entry into what, at times, has been a generally very well-written series of stories. The plotting seems pedestrian, the characters acting like teenagers in love for the most part, and Banks himself seems adrift.

Multiple award-winning, New York Times and #1 internationally bestselling author Peter Robinson returns with Children of the Revolution, a superb tale of mystery and murder that takes acclaimed British Detective Chief Inspector Alan Banks back to the early 1970s—a turbulent time of politics, change, and radical student activism. The body of a disgraced college lecturer is found on an abandoned railway line. In the four years since his dismissal for sexual misconduct, he'd been living like a hermit. So where did he get the 5,000 pounds found in his pocket? Leading the investigation, Detective Chief Inspector Alan Banks begins to suspect that the victim's past may be connected to his death. Forty years ago the dead man attended a university that was a hotbed of militant protest and divisive, bitter politics. And as the seasoned detective well knows, some grudges are never forgotten—or forgiven. Just as he's about to break the case open, his superior warns him to back off. Yet Banks isn't about to stop, even if it means risking his career. He's certain there's more to the mystery than meets the eye . . . and more skeletons to uncover before the case can finally be closed.

On a cliff edge overlooking the North Sea, a quadriplegic woman in a wheelchair stares unseeingly at the waves. She had been murdered. And, miles away, in a storeroom in the Maze, a medieval warren of yards and alleys at the heart of Eastvale, Yorkshire, a young woman lies sprawled on a heap of leather scraps. She too has been murdered. Their bodies are discovered at about the same time that DI Annie Cabbot, on secondment to the Eastern Area force, wakes with a severe hangover in the bed of a young man she barely recognizes. From these three strands, Peter Robinson weaves his latest complex and compelling story. While DCI Alan Banks tries to figure out how anyone was able to murder Hayley Daniels, when the closed-circuit cameras trained on the entrances to the Maze show that no one preceded or followed her into its shadows, Cabbot learns two things that make her blood run cold: the real intentions of her one-night stand and the true identity of the quadriplegic woman. A ghost from the past is back to haunt both her and Banks. Peter Robinson's Inspector Banks novels are among the best detective fiction in the world, and their multi-layered stories continue to surprise, engross, thrill, and delight readers. Friend of the Devil is a superb showcase of how deftly he balances horror with humour, police procedures with the nuances of all-too-human emotions, and endings with the promise of new starts. Once again, Robinson transcends the usual limits of the genre in this dazzling novel about the obsessive power of vengeance.

MICHAEL CONNELLY calls Peter Robinson "an author with amazing empathy, a snare-trap ear for dialogue, and a clear eye for the telling detail." See why in Sleeping in the Ground, the gripping new novel starring Alan Banks || featuring an opening scene you'll never forget, and a finale you won't see coming. At the doors of a charming country church, an unspeakable act destroys a wedding party. A huge manhunt ensues. The culprit is captured. The story is over. Except it isn't. For Alan Banks, still struggling with a tragic loss of his own, there's something wrong about this case || something unresolved. Reteaming with profiler Jenny Fuller, the relentless detective deeper into the crime... deep enough to unearth long-buried secrets that reshape everything Banks thought he knew about the events outside that chapel. And when at last the shocking truth becomes clear, it's almost too late. Packed with twists and turns, heart and soul, this is another triumph from an author "at the top of his game" (LOUISE PENNY).

The eagerly awaited new novel from Canada's top crime-fiction writer. It's the May half-term school holiday, and the first warm day of the year has drawn a few children to the River Swain for a swim. When one boy chases another off the path that runs alongside Hindswell Woods, a glimpse of orange through the trees tempts them into the shadows. Moments later, their high spirits vanish in an instant, for there, to their shock (and ghoulish fascination), they find a man in a brightly coloured shirt hanging from a branch by a rope around his neck. Alan Banks is in London with his new girlfriend when news of the kids' ghastly discovery reaches the police in Eastvale, so the case falls to Annie Cabbot. And she's mystified. Why would a successful set and costume designer, with a well-reviewed production of Othello currently playing, be in such despair that he would take his own life? In All the Colours of Darkness, Peter Robinson has written an exceptionally gripping and intricately plotted story that delivers hard truths about jealousy and betrayal || and of the insidious, corrosive power of secrets. Once more, Robinson proves that he is one of the finest crime-fiction writers in the world.
