In The Exquisite Book, one hundred indie artists play an ingenious version of the Exquisite Corpse drawing game. Each adorns a page with artworkhaving seen only the page of the artist immediately prior and using a single horizon line to connect the two. Some continue the "story" quite literally while others build on the previous page in more fanciful ways. This astonishing volume's format is as unique as its content, with each of the book's ten chapters residing on a ten-page accordion pull-out, allowing readers to view the art continuously. With an illustrated foreword by Dave Eggers, and art from such luminaries as James Jean and Jill Bliss, this charming book is, simply, exquisite.

He illuminates love with the light of his own understanding. " —Marianne Williamson In these fast-paced times, the exquisite risk facing each of us every day is to slow down so that we may experience life rather than simply manage it. In rich, lyrical prose, Nepo shares his own spiritual path, including a battle with illness that helped him understand how daring to embrace all that life has to offer can bring us to a deeper appreciation of its meaning and beauty.
