Do you want to learn Danish with original classic stories in Danish? Read in Danish without looking up words with our interlinear material!The HypLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast.This book contains original stories from Hans Christian Andersen's stories, in Danish.We have added an interlinear translation to the Danish text. This means that the meaning of every Danish word is immediately accessible, which in turn will make it much easier for you to expand your Danish vocabulary fast.Use the following method to attain new Danish vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Danish.Also, contact us on shop.hypLern.com for non-translated pdf versions of this book with which you can practice reading Danish without the interlinear translation.Check out our HypLern interlinear French, German, Russian, Spanish, Latin or other languages on Amazon as well!
