Read PDF Bloodlust A Reverse Harem Epic Science Fantasy Rise Of The Iliri Book 1

Author Auryn Hadley deftly blends heart-stopping epic adventure with the age-old struggle between good and evil, hatred and love—all through the lens of an intriguing female lead, the likes of which the fantasy genre hasn't yet seen. BLOODLUST, Book 1

RISE OF THE ILIRI - Books 1-3: A Reverse Harem Epic ...

This is a slow burn reverse harem with military and sci-fi content. Sal is a purebred Iliri that has been conscripted to the Conglomerate army. She works her ass off to become a part of the Black Blades where she finds a family she never knew she needed and a culture that had since been beaten out of her with racism and prejudices.

RISE OF THE ILIRI Volumes 1-3: A Reverse Harem Epic ...

In the second beautifully-crafted paranormal romance of this reverse harem epic fantasy series, author Auryn Hadley explores Sal's gently-morphing relationship to the Black Blades—her comrades-in-arms and lovers (although very little is gentle about their mating). Meanwhile, Sal continues to fight tooth and nail, blades, pikes, and shields... to fiercely protect her newfound family—and to free her people.

Amazon.com: Instinctual: A Reverse Harem Epic Fantasy ...

Shelves: reverse-harem Bloodlust is a fascinating book; part sci-fi, part fantasy, part political expose'. Sal is a rarity, a pure Iliri. The humans have taken over the planet in their quest for metals.

BloodLust (Rise of the Iliri, #1) by Auryn Hadley

Sal very gradually cultivates deeply loving, evolving relationships with each of the Black Blades, which morphs as a unit into a reverse harem as sweet as it is fierce, and as protective as it is impassioned. But belonging has its own price. Each of the Blades would die to protect Sal.

When Salryc Luxx turned eighteen, she bit a military officer. That was the first step. To humans, her species is just another resource. Seen as little more than beasts, the lives of iliri and iliri crossbreeds are cheap and easily replaced. Sal was raised as one of their pets and has spent her life dreaming of the day she can be free, but it won't be easy. Biting that officer made her a soldier. Three years of serving dutifully earned her the chance to apply for elite forces. That was the second step. Now, she has a piece of paper that admits her to the trials of the Black Blades, a group of elite soldiers who do the jobs no one else can handle. Their success is exactly what she needs to prove her people are more than just something to throw away. But in person, the Black Blades are not at all what she expected. The white eyes of the First Officer, the pale skin of their medic, and the sharp teeth their assassin tries so hard to hide are iliri traits. The best soldiers in her country aren't human, and she had no idea! When a voice leaks into her mind, she learns there's a lot more her species has kept secret - and the Black Blades have been hiding it in plain sight this whole time. She's going to have to change her plan, but being so close to her own kind is sending her instincts into overdrive. The sweet scent of humans, the lure to claim a mate, and her desire to see her commanding officer drop his

eyes are becoming a problem. If she wants to prove that her people deserve freedom - that she deserves it - she has to stop acting like a beast. There's just one little problem. Humans aren't her masters, they're her prey. This is the first book in an action-packed, epic, science-based fantasy series. Like all novels by Auryn Hadley, BloodLust does not end with a cliffhanger. This complete novel may contain adult themes and may not be suitable for younger readers.

An ancient dark power. Three species at war. A witch to unite them all. Life in Devil's Gate is hell on earth. With no Regent to maintain order between the species, humans live in fear of what lurks in the shadows while the vampires, wolves, and fae that inhabit Devil's Gate battle for territory and power. And nineteen-year-old Estelle Cotillard is caught up in the middle. Harboring a dark secret, Estelle tries to stay out of trouble, but when vampire Gage Coreil starts showing up insisting she needs protection, she has to decide: stay in the shadows or become who she was always supposed to be. Blood Lust is the first book in the Devil's Gate trilogy, a dark and sexy reverse harem paranormal series featuring a kick-ass heroine plus a brooding vampire, an alpha wolf, and a cunning faerie you won't have to choose between.

I will sacrifice my blood for them. They will lavish me with their love. Forever. Just when Elle thought her life couldn't suck more, she met them. Vampires. Four extremely hot and mysterious cousins that had a supernatural pull she couldn't explain. Life gets flipped upside down and turned inside out when the secret of who she is and what she can do is revealed. Braden, Logan, Cole, and Zac develop an unbreakable bond with Elle. They won't let go. They can't. She is a Life Blood. These four cousins will do anything to protect her from the danger of a psychopathic vampire who will stop at nothing to get to her. Elle will never be the same again. But does she even want to be? Because love bites. In a good way. The sexy Banner cousins and their sensual appetite for more than just Elle's blood will have you flipping pages to experience their story of unyielding love and devotion. Disclaimer: These vamps like to cuss and their sensual appetite is just getting revved up for their human, Elle, in the first book of Elle's story. Please keep in mind that due to the graphic language and sexual content in this book, it is recommended that you enjoy reading books with a little more detail in love sexual scenes. Brace yourselves for an exciting new Reverse Harem novel that will most likely burn up the pages on your kindle.: -) Enjoy.

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

EVERY MAN WANTS HER. MOST WANT TO KILL HER. GOOD LUCK TO THEM...Instinctual is the second beautifully-written book in Auryn Hadley's action-packed epic fantasy series chronicling the rise of the Iliri, a species bred by humans to be fierce protectors. Sal is the rarest of them, a full-blooded female iliri who will fight tooth, nail, blades, pikes, and shields to protect her dearest friends--also her comrades-in-arms and sometimes lovers-- and to free her people. Now that Sal has won her place in the Black Blades, an elite special ops unit within the army of the Conglomerate of Free Citizens, she's struggling to find answers about how to fit in with her new family. That's a challenging assignment; it's an all-male family of seven of the fiercest warriors in existence, all of them iliri with superpowers kept secret from humans. Sal's Black Blade commander and lover, Blaec, does his best to guide her, with the full understanding that she will eclipse him and that he must prepare her to do so. But his struggle is the opposite of Sal's: he is only half iliri, and all-too-human. The salvation of the iliri race and the Conglomerate depends on his ability to walk in both worlds, and to guide Sal. His best advice: "Listen to your instincts more and everything will work out. Our entire culture can be summed up pretty easily. We do what is natural." For the matriarchal iliri, what is natural is that Sal is the undisputed leader of her pack. She makes everyone better; she especially makes everyone fight better. But why? When asked, they struggle to come up with a better answer than "She smells really good." It's an iliri thing. Here's another iliri thing that's going to take a while for the humans to get used to: females were bred to be seductive; they possess the ability to make all males desire them, but they choose their men--typically at least two men. Though they may have as many as three or four in their harem. Now, in this sequel to Hadley's BloodLust, the secret is out. The world knows the Black Blades aren't human. And their largely independent unit must learn to fight alongside humans as the Conglomerate faces threats from the Emperor of Terric, who wants to exterminate the entire iliri species and is moving to conquer every country between his own and the Conglomerate. To stop him, the Conglomerate must rely on its best unit, composed of soldiers many consider less than human; and the Blades must rely on soldiers they were bred to regard as prey. It's complicated. But always exciting, as well as sexy, and action-packed. Women readers will thrill to the reverse harem idea that pushes the boundaries of epic fantasy in this groundbreaking series that may remind some of Avatar without the scary beasts; or even Game Of Thrones, but happier, with more color--and starring a dazzling female protagonist. Fans of Anne McCaffrey's Dragonriders of Pern will find Sal's planet Ogun a thrilling destination for their next fantasy fix. Oh, and by the way:

This is a complete novel, not a cliffhanger. Also--because of the exotic sexual instincts of the illiri, it may not be suitable for humans under 18.

Battle Mage or Magical Engineer? Easy choice, right? Engineer. Obviously. I'm Charisma Carter, tech genius and nerd extraordinaire. I actually used to be Charisma Silverstorm, member of one of the six elite Arcane Families, until my family shunned me when I turned 18 because my magic wasn't strong enough. However, where I lack in magic I more than make up for with the tech I develop, if I do say so myself. Apparently, I'm not the only one. From the minute I received my diploma as a magical engineer, it seems like my world has turned upside down. Now members of all six families are competing to get me to work for them. They're willing to use anything, from bribes to charm. It's not enough that the heirs to Arcane are walking sex gods, they also have a lot of money and exceptional magical skills. As our paths intertwine, I have to try to stay true to who I am, who I've always been, and not succumb to their charms. But how can a girl resist when the future she always dreamed of is right at her fingertips?

A woman is held prisoner and plots a way to escape using sex and a dangerous man.

Bow Before Your Queen Or Bleed Before Her... From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible--travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people--and each other. And now she will become Queen...

Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

I had no idea how beautiful and terrifying my life was about to become. Living as an independent artist in New York, I was soon faced with the new knowledge of my powers, a curse, and how bonding with five sexy-as-sin supernaturals would break that curse. One by one they found me--Fae, Warlock, Demon, Wolf shifter, Vampire. I'm their mate. Their equal. Their perfect match. The one to unbind them from their curse. Heart, body, and soul, I'm meant to be theirs. Theirs to share. Theirs to love. From the beginning, they warn me of my fate. The stronger our magic bonds; the greater the chance evil will find us. These incredible beings will give their lives to protect me, no matter the sacrifice, but I'm not willing to lose any of them. They've stolen my heart and I'll do whatever it takes to break the curse and stop the one who's coming for us. The Cursed Trilogy is a why choose paranormal romance series and includes: Unbound Unleashed Unveiled
