"June and Day have sacrificed so much for the people of the Republic--and each other--and now their country is on the brink of a new existence. Just when a peace treaty is imminent, a plague outbreak causes panic in the Colonies, and war threatens the Republic's border cities"--

The complete collection of Marie Lu's bestselling Legend trilogy: Legend, Prodigy, and Champion. Additional bonus material also included: Marie Lu's Life Before Legend, original short stories offering a sneak peek at the lives of Day and June before they met.

In the highly anticipated sequel to "Legend, " June and Day make their way to Las Vegas where they join the rebel Patriot group and become involved in an assassination plot against the Elector in hopes of saving the Republic.

June and Day's hopes for peace are shattered by a plague outbreak that renews warfare throughout the panicked Colonies, a situation that forces the Republic to consider a means of defense that threatens everything Day has worked for.

Teens June, a military prodigy born into wealth, and Day, a criminal from the slums, are brought together and face plague, war, and a powerful, common enemy.

Find out more about June and Day in this never-before-seen glimpse into their daily lives before they met in Marie Lu's New York Times bestselling LEGEND series. As twelve-year-olds struggling to survive in two very different worlds within the Republic's stronghold, June was starting her first day of school at Drake University as the youngest cadet ever admitted, and Day was fighting for food on the streets of the Lake sector. LIFE BEFORE LEGEND contains two original stories written by Marie Lu that give readers a sneak peek into the lives of their favorite characters in a thrilling new context.

June allows herself to be captured so that she can assist an assassination plot against a new Elector Primo by the rebel Patriots leader, in a graphic novel adaptation of the second book in the trilogy.

Respect the Legend. Idolize the Prodigy. Celebrate the Champion. But never underestimate the Rebel. With unmatched suspense and her signature cinematic storytelling, #1 New York Times–bestselling author Marie Lu plunges readers back into the unforgettable world of Legend for a truly grand finale. Eden Wing has been living in his brother's shadow for years. Even though he's a top student at his academy in Ross City, Antarctica, and a brilliant inventor, most people know him only as Daniel Wing's little brother. A decade ago, Daniel was known as Day, the boy from the streets who led a revolution that saved the Republic of America. But Day is no longer the same young man who was once a national hero. These days he'd rather hide out from the world and leave his past behind. All that matters to him now is keeping Eden safe—even if that also means giving up June, the great love of Daniel's life. As the two brothers struggle to accept who they've each become since their time in the Republic, a new danger creeps into the distance that's grown between them. Eden soon finds himself drawn so far into Ross City's dark side, even his legendary brother can't save him. At least not on his own .
