Some are born to sweet delight, Some are born to endless night . . . When penniless Michael Rogers discovers the beautiful house at Gypsy's Acre and then meets the heiress Ellie, it seems that all his dreams have come true at once. But he ignores an old woman's warning of an ancient curse, and evil begins to stir in paradise. As Michael soon learns: Gypsy's Acre is the place where fatal "accidents" happen.

One of Agatha Christie's personal favorites, Endless Night is a critically acclaimed classic crime thriller from the beloved queen of mystery. When penniless Michael Rogers discovers the beautiful house at Gypsy's Acre and then meets the heiress Ellie, it seems that all his dreams have come true at once. But he ignores an old woman's warning of an ancient curse, and evil begins to stir in paradise. As Michael soon learns: Gypsy's Acre is the place where fatal "accidents" happen.

Agatha Christie's disturbing 1960s mystery thriller, reissued with a striking cover designed to appeal to the latest generation of Agatha Christie fans and book lovers.

Doctor Haydock, the resident GP of St. Mary Mead, hopes to cheer up Miss Marple as she recovers from the flu with a little story. The tale revolves around the return of the prodigal son of Major Laxton, the devilishly handsome Harry Laxton. Harry, after leading a life of childish indiscretions and falling head over heels for the village tobacconist's daughter, has made good and returned to lay claim to his tumbling childhood home and introduce the village to his beautiful new wife. But, the villagers are prone to gossip about young Harry's past, and one person in particular cannot forgive him for tearing down the old house. Will Miss Marple's acumen be up to the task of solving the story?

Gipsy's Acre is a truly beautiful place. In fact, it is the perfect location to build the house of your dreams - so long as you don't believe in ancient curses. Michael and Ellie don't. They are young, rich and far too happy to be put off by an old woman's warnings. Even when accidents start to happen...Written in 1967 towards the end of her career, this claustrophobic thriller was a remarkable achievement for Agatha Christie, proving that she could still shock and surprise modern audiences after nearly 50 years writing books. Described by the Sunday Times as "One of the best things Agatha Christie has ever done", it has been adapted by François Rivière and given an authentic Sixties' look by artist Frank Leclercq.Famed

for her crime masterpieces, Agatha Christie's books have become the best-selling in the world, appealing to readers young and old for their ingenious plots and immediately recognizable characters. The stories have also transcended the printed page, become bestselling audiobooks and award-winning films, plays and television series. Now words and pictures combine in an exciting new way of telling these stories - full-colour graphic novels which enhance the original stories and offer a completely new way of enjoying some of the world's most popular and exciting mysteries.

Superintendent Battle of Scotland Yard struggles to find the person who penned the details of a vicious murder.

The Mirror Crack'd: Jane Marple solves the mystery when a local woman is poisoned and a visiting movie star seems to have been the intended victim.

Currawongs appearing at the Manor in vast numbers had come to portend one thing... Death was on its way. When photographer Elizabeth Thorrington is invited to document the history of Currawong Manor for a book, she is keen to investigate a mystery from years before: the disappearance of her grandfather, the notorious artist Rupert Partridge, and the deaths of his wife, Doris, and daughter, Shalimar. For years, locals have speculated whether it was terrible tragedy or a double murder, but until now, the shocking truth of what happened at the Manor that day has remained a secret. Relocating to the manor, Elizabeth interviews Ginger Flower, one of Rupert's life models from the seventies, and Dolly Shaw, the daughter of the enigmatic 'dollmaker' who seems to have been protected over the years by the Partridge family. Elizabeth is sure the two women know what happened all those years ago, but neither will share their truths unconditionally. And in the surrounding Owlbone Woods, a haunting presence still lurks, waiting for the currawongs to gather... An evocative tale set in the spectacular Blue Mountains, Currawong Manor is a mystery of art, truth and the ripple effects of death and deception.

The Secret of Chimneys Agatha Christie - The Secret of Chimneys is a work of detective fiction by British writer Agatha Christie, first published in the UK by The Bodley Head in June 1925 and in the US by Dodd, Mead and Company later in the same year. It introduces the characters of Superintendent Battle and Lady Eileen "Bundle" Brent. Agatha Christies The Secret of Chimneys, starring her occasional sleuths Superintendent Battle and Lady Eileen Bundle Brent, is a murder mystery-treasure hunt crossover, considered to be one of her best early novels. The plot should be delightful to traditionalists: there are a bunch of people staying at a mansion when one of the guests is murdered! (Apparently, theres a chance it might also be a bit racist, so just a heads up on that front.) It also features the fun-sounding fake-country name Herzoslovakia, which I think is one of the better sounding fake country names in fiction.
