Inspirational writing meets Bible commentary. Nuggets of Truth stands as a different kind of devotional. It is, perhaps, more in keeping with Oswald Chamber's My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire. Not that each Nugget of Truth does not inspire. On the contrary, it stands as a very inspirational book even as the Scriptures themselves never fail to inspire. Indeed, the content of each individual devotional is full of Scripture. Each Nugget of Truth is designed to provide the reader with a short Bible study. Hence, the reader is more of a student than simply a reader. The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year. The sub-title of Nuggets of Truth, A Bible Student's Devotional and A Bible Teacher's Resource Handbook, reveals the two-fold purpose and use of this book. It is meant to be a devotional for Bible students and for Bible teachers. In keeping with this second purpose, the devotional is exhaustively indexed. With its indexes, Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries. 80 pages of downloadable indices provided with purchase!

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. The Teacher's Resource Book contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvolucri. A Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware which integrates the Student's Book, class audio and video.
