Completely Updated and Revised This revised edition of Peter Senge ' s bestselling classic, The Fifth Discipline, is based on fifteen years of experience in putting the book ' s ideas into practice. As Senge makes clear, in the long run the only sustainable competitive advantage is your organization ' s ability to learn faster than the competition. The leadership stories in the book demonstrate the many ways that the core ideas in The Fifth Discipline, many of which seemed radical when first published in 1990, have become deeply integrated into people ' s ways of seeing the world and their managerial practices. In The Fifth Discipline, Senge describes how companies can rid themselves of the learning " disabilities " that threaten their productivity and success by adopting the strategies of learning organizations—ones in which new and expansive patterns of thinking are nurtured, collective aspiration is set free, and people are continually learning how to create results they truly desire. The updated and revised Currency edition of this business classic contains over one hundred pages of new material based on interviews with dozens of practitioners at companies like BP, Unilever, Intel, Ford, HP, Saudi Aramco, and

organizations like Roca, Oxfam, and The World Bank. It features a new Foreword about the success Peter Senge has achieved with learning organizations since the book 's inception, as well as new chapters on Impetus (getting started), Strategies, Leaders ' New Work, Systems Citizens, and Frontiers for the Future. Mastering the disciplines Senge outlines in the book will:

- Reignite the spark of genuine learning driven by people focused on what truly matters to them
- Bridge teamwork into macro-creativity
- Free you of confining assumptions and mindsets
- Teach you to see the forest and the trees
- End the struggle between work and personal time

This easy-to-implement classroom resource provides sixth grade students with the tools they need to improve their grammar skills. Students will receive daily practice with punctuation, identifying parts of speech, capitalization, spelling, and more. 180 Days of Language features 180 quick activities and lessons that are correlated to state and national standards. Digital resources and assessment tips are also included.
