The renowned Russian writer Leo Tolstoy created a realistic masterpiece in Anna Karenina (1878). In the same work, moreover, he utilized allegory and symbol to an extent and at a level of sophistication unknown in his other works. In Browning's study, the author identifies and analyzes previously unnoticed or only briefly mentioned (linkages and keystones) found in two highly developed clusters of symbols, arising from Anna's momentous train ride and peasant nightmares, and of allegories, rooted in Vronsky's disastrous steeplechase. Within this labyrinth of symbol, allegory and structural patterning lies embedded much of the novel's most significant meaning. This study will be of particular interest to students and scholars of Russian literature, Tolstoy, symbol, allegory, structuralism, and moral criticism.

This is the most innovative, comprehensive, and scholarly bilingual dictionary of Russian idioms available today. It includes close to 14,000 idioms, set expressions, and sayings found in contemporary colloquial Russian and in literature from the nineteenth century to the present. The Russian idioms are provided with many English equivalents to render idioms in various contexts. Illustrative examples are cited to show how the idioms are used in context. Each entry also contains a grammatical description of the idiom, a definition/an innovative feature for a bilingual dictionary/and stylistic and usage information. A most notable part of the work is the alphanumeric index that makes finding the right expression very easy.
