In German, a language where plurals are highly irregular and must often be memorized on a case-by-case basis, that's a serious and glaring omission. Second, verbs are not conjugated, and German is a language with many irregular verbs. These are big problems for a book about "mastering" German vocabulary.

Unlike your average A-to-Z German/English dictionary, Mastering German Vocabulary presents more than 5,000 words in 41 separate categories. This arrangement allows students to understand the relationships of various words. Categories cover the human body, health and medicine, sports, culture and religion, and dozens of other subjects. Engaging example sentences help illustrate the meanings of words and also inform readers on idiomatic expressions, grammatical exceptions, and cultural and geographical information. English-speaking readers will find help in translating those German words and phrases that may be too specialized to be found in ordinary alphabetically arranged bilingual dictionaries. Engaging line art illustrations, charts, and a comprehensive alphabetical word index enhances this volume's usefulness. A fine school supplement for language teachers, students, and language labs, and an aid for anyone who must sometimes get information from German journals and other publications.

How often have you looked up an English word in a German dictionary only to be confronted by a bewildering array of German equivalents? Which is the correct word for the context in question? Thirty years' experience in teaching Germanic languages at tertiary level to English-speaking students have made the author acutely aware of this problem. Mastering German Vocabulary explains how to use over 2,200 common German words correctly, using example sentences in German with English translations. In order to aid quick consultation, all German and English words are listed in separate indexes. The book is designed for all upper secondary and tertiary students of German and complements Routledge's grammar, dictionary and vocabulary building textbooks. It is a practical companion for anyone serious about perfecting their German.

A Frequency Dictionary of German is an invaluable tool for all learners of German, providing a list of the 4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way.

NATIONAL BESTSELLER □ For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. □A brilliant and thoroughly modern guide to learning new languages.□□Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school□who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources□and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Publisher Description

This Italian word-power builder presents more than 5,000 words and phrases with translations into English. The feature that makes this vocabulary book distinctive is the way words are divided into themes, grouped together so that the foreign traveler or language student can find words related by subject. The subject themes include business terms, medical terms, household terms, scientific words and phrases, units of measurement, clothing, food and dining, transportation, art and culture&... 24 separate themes in all. The new second edition has been expanded and updated with increased vocabulary.

Nach Sachgebieten angelegt umfasst der Grundwortschatz rund 4.000 Stichwörter. Neben der Übersetzung des Grundworts und Anwendungsbeispielen bietet er Angaben zu Aussprache und Grammatik sowie ein Register. Der Grundwortschatz Deutsch eignet sich für Jugendliche und Erwachsene zum Lernen und Wiederholen, zur Kontrolle und Prüfungsvorbereitung. Das Übungsbuch (einsprachig Deutsch) folgt dem Aufbau der Lernwörterbücher. Über 400 Wortschatzübungen, abwechslungsreiche Übungsformen und viele Illustrationen machen das Lernen angenehm und effektiv. Ein Lösungsschlüssel bietet die Möglichkeit zur Lernkontrolle.

An essential resource for language learners at all levels For beginning learners or students who have a hard time grasping a new language, the Teach Yourself Vocabulary series has been totally revised to be a self-teaching resource for teens and adults. These practical guides present hundreds of key words in manageable groups--not boggling-boggling vocabulary lists like other language learning books do--in familiar topics such as telling time, greetings, employment and hobbies. This series also features numerous memorizing techniques to ensure that new vocabulary sticks in the learner's mind. More than just reference books, the Teach Yourself Vocabulary series builds students' knowledge of the language and contains: Key, up-to-the minute vocabulary Terms listed with relevant verbs, adjectives, and useful expressions Memorizing activities to make sure readers remember the words they have learned

Unlike most grammar series, this one simplifies and clarifies what is often perceived as the most difficult aspect of learning a foreign language. Oxford Easy Grammar texts cover all the fundamental and essential points of a language's grammar in a clear and user-friendly way, with every grammatical point clearly explained and backed up by examples in English before being illustrated in the foreign language. Each area of grammar is presented on a double-page spread for easy access and navigation, with all example sentences highlighted to show what is being illustrated. Finally, a full A-Z list of grammatical
