This is the ultimate networker's tool for exploding your downline. So POWERFUL, we can almost predict what this book will do for your business... 10% of your prospects receiving this book will join your network marketing business within 30 days. 15% more will join within 90 days. Simply hand this book to your "Suspects" and watch them turn into "Prospects". It does the work for you. It shows just how important your Company's "Coding Bonus" or other downline payment structure is to exploding both their downline and their income, while also providing the perfect sponsoring tool. Then they realize they can do the same thing you did; just by sharing this book with others, then sharing your company's business opportunity with them. The common thread you will find with successful network marketers is that they follow an easily duplicating system for sponsoring other people into their business.

It's finally here! In this short and powerful book, network marketing experts Ray and Jessica Higdon teach you proven strategies for marketing and prospecting that allow you to navigate your way through the social media maze and achieve freakishly effective results for your business. Social media has been called the "gold rush" of the 21st Century--a new, uncharted world where people in virtually every industry have found fame and fortune. This includes Network Marketing. The trouble is, as with the gold rush of the mid-1800s, the wild west atmosphere has left a lot of network marketers feeling lost and confused. Worse still, the short-term tactics being used cause unintentional harm to the reputation of the network marketing profession. In this book you will learn what truly works when it comes to using social media in your network marketing business including: The types of social media posts you should be focusing on and the things you must avoid sharing What you should and should not include as part of your profile A four-step process for creating freakishly effective Facebook lives The right way to reach out to someone on social media and what to say How to follow up when people "disappear" What to do if you've been doing it all wrong! And so much more... If you are ready to use social media to build your network marketing business, and you want to do it the right way, this book is a must-read. Get it today!
