2 You, therefore, have no excuse, (A)
you who pass judgment on someone
else, for at whatever point you judge
another, you are condemning yourself,
because you who pass judgment do
the same things. (B) 2 Now we know
that God's judgment against those
who do such things is based on truth.
3 So when you, a mere human being,
pass judgment on them and yet do the
same things, do you think you will
escape God's judgment? 4 Or do you
show contempt for the riches.

The following story, while it may contain facts and pieces of actual truth, is based fully on fictitious events and the psychotic mind of the author. Tread carefully. She keeps warning you. This time she's just point blank said it. Be prepared to be MINDF*CKed. Once upon a time I was a little girl who grew up and had all her dreams come true... And I'm sure you've heard the whispered question, you know, the one about what happens after the shoe fits? Well, my name is Lexy Dean, and I'm here to tell you. Don't be mad at me, darling, *winks* For, it was you who wanted, asked, and begged for this MindF*ck. **For MATURE audiences ONLY. This book is NOT for the weak at heart. It is a raw and gritty story about love, loss,

and pain. Tread carefully. You've been warned-It was written to make you feel, not pacify.**

All I've ever had is myself. I can't tell you who I am, where I came from, or who I'm fucking made of. I was ripped from the only happy I'd ever known, but I can't recall what it was...I just know part of me is now void, left hollow. How do you know who you are if you don't even know your own flesh and blood? How do you trust those in your life, when the deception lies among you? How do you know if you don't belong if you're in the only place you've ever called home? There was nothing I could do but survive...in my own way. This is my story...this is Where the Ivy Hides.

Dostoevsky's Russian chauvinism and anti-Semitism have long posed problems for his readers and critics. How could the author of *The Brothers Karamazov* also be the source of the slurs against Jews in *Diary of a Writer*? And where is the celebrated Christian humanist in the nationalist outbursts of *The Idiot*? These enigmas—the coexistence of humanism and hatred, faith and doubt—are linked, Susan McReynolds tells us in *Redemption and the Merchant God*. Her book analyzes Dostoevsky's novels and *Diary* to show how the author's anxieties about Christianity can help solve the riddle of his anti-Semitism as well as that of his Russian messianism. McReynolds'

reading demonstrates Dostoevsky suffered from a profound discomfort with the crucifixion as a vehicle for redemption. Through his work, she traces this ambivalence to certain beliefs and values that Dostoevsky held consistently throughout his life. And she reveals how this persistent ambivalence about the crucifixion led Dostoevsky to project what he didn't like about Christianity onto the Jews—and to invest those aspects of the crucifixion that he could approve with the “Russian idea.” A radical rereading of one of the Western canon's most revered and perplexing authors, McReynolds' book is also a major reconfiguring of Dostoevsky's intellectual biography and a significant contribution to literary and cultural studies.

Paul's letters are of crucial importance for Christian theology and church life. The way in which the apostle Paul critically reflected on the meaning of the gospel message in light of Scripture, the traditions, ethics and Christian faith and hope, has had a significant and lasting impact on the Lutheran tradition. In this publication, the fourth and final in a series of LWF publications on biblical hermeneutics, renowned international scholars from the fields of biblical studies and systematic theology reevaluate to what extent twenty-first-century Lutherans can rediscover the Pauline paradigm of the "power of the Gospel" and hereby overcome ambiguous perceptions of the so-called "Lutheran reading(s)" of Paul. des Paulus haben eine grundlegende Bedeutung für die christliche Theologie. Besonders die lutherischen Kirchen sind dauerhaft davon geprägt, wie Paulus als Apostel die Bedeutung des "Evangeliums" im Lichte der Auslegung von Schrift und Tradition sowie der Konzeption frühchristlicher Ethik und der Explikation von Hoffnung und Glaube herausgearbeitet und interpretiert hat. Die vorliegende Anthologie schließt einer Folge von vier LWB Publikationen zur biblischen Hermeneutik ab. International renommierte Bibelwissenschaftler und Systematische Theologen diskutieren, in welcher Weise lutherische Theologie im 21. Jahrhundert das paulinische Konzept von der "Kraft des Evangeliums" so wiederentdecken kann, dass ambivalente Vorstellungen von der sog. "Lutherischen
