money management, home ownership and many other personal finance topics.

Intended for readers without any formal accountancy training, this book explains in clear and simple language how to document the financial transactions associated with credit and savings schemes. Efficient administration and accurate accounting records are vital for any scheme to be successful. Recording and sorting the data, and preparing financial summaries, such as receipts and payments reports and balance sheets, are described in detail, with numerous illustrations and worked examples. The administration of loans and savings, and the recording of stock transfers are

Barbaric. Savage. Violent. Words often used by critics to describe the sport of mixed martial arts. To this can be added lucrative, popular and flourishing. MMA has seen astronomical growth since the 2000s, spurred on by its biggest promotion, the Ultimate Fighting Championships (UFC). Along the way, legal issues have plagued the sport. This book provides an overview of the most important cases and controversies arising both inside and outside of the cage—antitrust suits by fighters against promoters, fighters suing other fighters, drug testing, contractual issues, and the need for federal regulation.
