Director of Social Media, McDonald's "I could not stop reading this book. Mark Schaefer demystifies the power of influence in this insider's guide to combining content strategy with network interactions to create social conversations that move markets." –Ardath Albee, author of eMarketing Strategies for the Complex Sale "A fascinating exploration at how you track and increase your online influence. Real-world strategies for real-world companies." –Randy Gage, author of Prosperity Mind

This book digs deeply into the psychological and sociological factors that make social media platforms like Facebook, Twitter, and YouTube tick. The globally-recognized author walks you through five foundational strategies of social media marketing and addresses the biggest questions holding organizations back from success.

Most business owners are blindly guessing at their social media strategy, and it's costing them time and money. Based on Donald Miller's bestselling book Building a StoryBrand, Claire Diaz-Ortiz applies the seven principles of the StoryBrand Framework to help you build an effective, long-lasting social media plan for your brand. Social Media Success for Every Brand teaches readers how to incorporate the StoryBrand 7-Part Framework into their social media channels to increase engagement and see better results.

Read Online Social Media Explained Mark Schaefer

Readers will understand exactly what they need to do with their social media to drive growth to their organization through the practical guidance of the five-point SHARE model: STORY HOW AUDIENCE REACH EXCELLENCE Social Media Success for Every Brand does not require the reader to be familiar with Building a StoryBrand but provides enough foundation to prepare the reader for practical success with their social media content. Together with the StoryBrand Framework, Claire's SHARE model will help boost customer engagement and grow the organization's brand awareness and revenues.

Are you looking to take advantage of social media for your business or organization? With easy-to-understand introductions to blogging, forums, opinion and review sites, and social networks such as Twitter, Facebook, and LinkedIn, this book will help you choose the best -- and avoid the worst -- of the social web's unique marketing opportunities. The Social Media Marketing Book guides you through the maze of communities, platforms, and social media tools so you can decide which ones to use, and how to use them most effectively. With an objective approach and clear, straightforward language, Dan Zarrella, aka "The Social Media & Marketing Scientist," shows you how to plan and implement campaigns intelligently, and then measure results and track return on investment. Whether you're a seasoned pro or
