My dear, Stolen, you were set out to ruin me from the start. I'd heard how heartbreaking you were but I didn't realise the true extent of those words. You made me feel so much more than a novel has ever made me feel before, you took my heart and shattered it but then you began to put it back together, you tried to save me before the ultimate blow but I'm now just as heartbroken as before.

A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating! Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes

her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. **STOLEN** is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.

New York Times bestselling author Paige Shelton returns with the next installment of The Scottish Bookshop Mystery series, *The Stolen Letter*. Delaney Nichols is confident she's doing what she loves—case in point, just one day after returning from her fabulous European honeymoon, she's eager to get back to the Cracked Spine, the bookstore where she works. But as she disembarks her bus and hurries toward the shop she and another woman collide,

sending a stack of books the woman is carrying to the ground. Delaney's hapless victim's name is Mary, and the two women can't help but notice that they bear an uncanny resemblance to one another. According to Mary, they both also look like the long-beheaded Mary Queen of Scots. Even stranger, Mary believes she is the reincarnation of the Scottish queen. But peculiar as Delaney's doppelganger is, she doesn't have time to dwell on it: on her arrival to the bookshop, she learns the Edinburgh city council wants to close the Cracked Spine, citing code violations, and she's determined to stop them. But when Mary's husband dies in a car explosion—and Delaney learns he was the very member of city council who proposed that the city take a closer look at the bookshop's construction—she starts to wonder if her meeting with Mary wasn't an accident. Edinburgh has become as filled with

intrigue and deception as any European court, and Delaney is determined to get to the bottom of this royal mystery.

‘I knew in the first couple of pages that this story was going to make me cry and I was right... So emotional... I was left speechless. I absolutely loved every minute... One of the best historical fictions I’ve read.’ Goodreads Reviewer, ????? Italy, 1944: Stella stared at the envelope addressed to her, dated from the day of his death. With a trembling hand she opened it, tears rolling down her cheeks. She read the letter that should have made it to her years ago – the letter that had been ruthlessly stolen from her. Then there is Ted, an American journalist who is wild and mischievous, with an arrogance bordering on rude. Stella is infuriated by him – yet she cannot deny the lure of the danger and excitement he promises. But there is something dark under the bright surface of this beautiful country, with unspeakable tragedies just around the corner. When the Nazis take control of Italy, Stella and Ted – and whatever dreams the future held for them – are ripped apart. Ted is torn away, to report from the perilous frontline. Meanwhile, Stella is paralysed with fear as screeching bombs descend, destroying everything in their wake. There is nothing left to do but sit in darkness, praying to see tomorrow. And it seems that even in Italy, Stella's past has found her. Somewhere in the

Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnappers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnappers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away
