This is the Study Guide to accompany Intermediate Accounting, 15th Edition, Volume 2: Chapters 15 - 24. Kieso, Weygandt and Warfield's Intermediate Accounting continues to set the standard for intermediate accounting students and professionals in the field. The Fifteenth edition builds on this legacy through new innovative student focused pedagogy in the book itself and with online support. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam. The Fifteenth edition offers the most up to date coverage of IFRS and US GAAP in a presentational format suited to the complex challenges of teaching intermediate in these changing times.

'Financial Accounting' arms readers with a practical set of tools and the confidence needed to use those tools effectively in making business decisions. It provides an overview of accounting information and establishes how a financial statement communicates the fiscal activities of a business.

Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

The most complete guide available to help professionals sharpen their accounting and business skills. This unique reference features a logically structured framework that details accounting practices step-by-step, as well as all the newest innovations in the field.

This is the Study Guide to accompany Financial and Managerial Accounting, Volume 2. Financial and Managerial Accounting, by Weygandt, Kimmel, Kieso is a new introductory program for the two semester accounting sequence that presents equal coverage of both introductory financial and managerial accounting topics. The Team for Success authors of Jerry Weygandt, Paul Kimmel, and Don Kieso bring years of industry, academic, and writing experience to the development of this new title which gives students the tools they need to understand the accounting cycle and key financial accounting topics, while presenting the managerial topics in an easy-to-understand fashion in a decision-making framework. The Team for Success authors understand where students struggle in introductory accounting, and have developed a learning system that illustrates the accounting cycle and key transactions, while giving student the tools to apply their learning through sample exercises throughout the chapter. Weygandt Financial and Managerial Accounting relates accounting concepts to real-world experiences, is full relevant examples to students' lives, and provides IFRS coverage that will prepare students for the global economy.

These are the Working Papers to accompany Managerial Accounting: Tools for Business Decision Making, 6th Edition.Weygandt, Managerial Accounting, 6th Edition gives students the tools they need to succeed, whether as accountants or in other career paths. The authors present the fundamental concepts of managerial accounting in an easy-to-understand fashion in a decision-making framework for a one semester, undergraduate managerial accounting course. With an expanded emphasis on student learning, Weygandt Managerial Accounting 6th Edition demonstrates how invaluable management accounting information is to business decision-making. The author team of Weygandt, Kimmel, and Kieso provide students with pedagogy that helps develop decision-making skills, so students can be successful as future business professionals.

This is the Study Guide to accompany Financial and Managerial Accounting, Volume 1. Financial and Managerial Accounting, by Weygandt, Kimmel, Kieso is a new introductory program for the two semester accounting sequence that presents equal coverage of both introductory financial and managerial accounting topics.
