~~The Book of Idle Pleasures eBook by Tom Hodgkinson~~---

The Book of Idle Pleasures is a gentler approach to the same subject. We can follow its edicts without chucking the job or defaulting on the mortgage. But it supports a similar proposition: that much of Western civilisation – its speed, complexity and alienation – is unsustainable and contrary to our true nature.

In The Book of Idle Pleasures, the United Kingdom's expert Idlers Tom Hodgkinson and Dan Kieran stand up for the simple pleasures in life . . . by lying down for a nap. With its tongue firmly in its cheek, The Book of Idle Pleasures renounces our world of ever-growing consumer overload in favor of the timelessly true adage that the best things in life really are free.

~~The Book of Idle Pleasures: Kieran, Dan, Hodgkinson, Tom~~---

During a recent visit to the local library I found a book called The Book of Idle Pleasures (edited by Dan Kieran and Tom Hodgkinson). The book sets out to prove that the best things in life really are free. The editors describe 200 idle pleasures that they enjoy or are enjoyed by other contributors to the book. Most are free or nearly free.

The Art of Doing Nothing meets The Dangerous Book for Boys in this charming celebration of simple delights. In The Book of Idle Pleasures, the United Kingdom's expert Idlers Tom Hodgkinson and Dan Kieran stand up for the simple pleasures in life . . . by lying down for a nap. With its tongue firmly in its cheek, The Book of Idle Pleasures renounces our world of ever-growing consumer overload in favor of the timelessly true adage that the best things in life really are free. Clever and sometimes all too true in its reflections on 100 simple pastimes--among them slouching, skipping stones, staring out the window, doodling, and, natch, taking a nap--The Book of Idle Pleasures is a charming celebration of simple pleasures for the sake of pleasure itself, making it a soothing antidote for our nonstop culture and an ideal restorative against the costly confusion of our daily existence.

In The Book of Idle Pleasures, the United Kingdom's expert Idlers Tom Hodgkinson and Dan Kieran stand up for the simple pleasures in life... by lying down for a nap. With its tongue firmly in its cheek, The Book of Idle Pleasures renounces our world of ever-growing consumer overload in favor of the timelessly true adage that the best things in life really are free. Clever and sometimes all too true in its reflections on 100 simple pastimes—among them slouching, skipping stones, staring out the window, doodling, and, natch, taking a nap—The Book of Idle Pleasures is a charming celebration of simple pleasures for the sake of pleasure itself, making it a soothing antidote for our nonstop culture and an ideal restorative against the costly confusion of our daily existence.

From the founding editor of The Idler, the celebrated magazine about the freedom and fine art of doing nothing, comes not simply a book, but an antidote to our work-obsessed culture. In How to Be Idle, Tom Hodgkinson presents his learned yet whimsical argument for a new universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, and Nietzsche—all of whom have admitted to doing their very best work in bed.

Geography and travel.

Ready to be your own boss? If cash flow forecasts, tax returns, and P&Ls sound horrifying, fear not: help is at hand. Journalist Tom Hogkinson has spent his career advocating for laid-back living, and in Business for Bohemians, he combines practical advice with hilarious anecdotes to create a refreshingly candid guidebook for all of us who aspire to a greater degree of freedom in our working lives. Whether you dream of launching your own graphic design startup or growing your Etsy store into a full-scale operation in your spare time,À Business for BohemiansÀ will equip you with the tools to turn your talents into a profitable and enjoyable business. Accounting need no longer be a dark art. You will become a social media maven and a friend of the spreadsheet. You will learn the art of negotiation, how to get paid, and how to decide which clients to take. You will discover that laziness can be a virtue. Above all, you will realize that freedom from the nine-to-five life is achievable—and, with Hodgkinson ' s comforting, pragmatic and extremely funny advice at hand, you might even enjoy yourself along the way.

Here is a refreshing look at life as it ought to be. Bare feet, gardening, dawdling over the newspaper, oversleeping, and idle summer vacations are infinitely more satisfying than counting fat grams, eating only vegetables, and sitting behind that desk every day. So toss out the guilt and rebel. Don't just stop and smell the flowers--call in sick and lie among them, preferably with a good friend, a bottle of wine, and a handful of chocolates. Endangered Pleasures is a delightful reminder that rest and relaxation are more rewarding than a job performance review. After all, life's too short. Why not have some fun while you're supposed to be living it?

Drinking has always meant much more than satisfying the thirst. Drinking can be a necessity, a comfort, an indulgence or a social activity. Liquid Pleasures is an engrossing study of the social history of drinks in Britain from the late seventeenth century to the present. From the first cup of tea at breakfast to mid-morning coffee, to an evening beer and a 'night-cap', John Burnett discusses individual drinks and drinking patterns which have varied not least with personal taste but also with age, gender, region and class. He shows how different ages have viewed the same drink as either demon poison or medicine. John Burnett traces the history of what has been drunk in Britain from the 'hot beverage revolution' of the late seventeenth century - connecting drinks and related substances such as sugar to empire - right up to the 'cold drinks revolution' of the late twentieth century, examining the factors which have determined these major changes in our dietary habits.

Brave Old World is Tom Hodgkinson's year-round guide to the ancient art of husbandry. In this indispensable addition to his much-loved guides for the free-spirited, Tom Hodgkinson takes us on a modern tour of the ancient arts of everyday living: philosophy, husbandry and merriment. Drawing on the wisdom of an eclectic range of thinkers and writers, and, as ever, on Tom's own honestly recounted and frequently imperfect attempts to travel the road to self-sufficiency, Brave Old World charts the progress of a year in pursuit of the pleasures of the past. From January to December, let Tom be your guide to a better, older way of life. 'A meditation on why life has been a dreadful mistake ever since the Reformation brought us paid jobs and the work ethic. Brave Old World is hugely inspiring even when it is most bonkers' Sarah Bakewell, New Statesman 'A delightful read. Share in the exuberant joys and comic misfortunes of an eccentric who has made up his mind about the existence he wants to lead, and has gone ahead and lived it' James Delingpole, Mail on Sunday Tom Hodgkinson is the founder and editor of The Idler and the author of How to be Idle, How to be Free, The Idle Parent and Brave Old World. In spring 2011 he founded The Idler Academy in London, a bookshop, coffeehouse and cultural centre which hosts literary events and offers courses in academic and practical subjects - from Latin to embroidery. Its motto is 'Liberty through Education'. Find out more at www.idler.co.uk.

Bestselling author Sabrina Jeffries pens the sizzling story of one of three half-noble half brothers, who makes a most unwelcome entrance into society... and a most unexpected match. Beautiful Lady Regina Tremaine has turned down so many suitors that she's called La Belle Dame Sans Merci. The truth: she won't marry because she carries a dark secret. She sees no good reason, however, why her brother shouldn't court the lovely Louisa North -- even if the girl's brother, the notorious "Dragon Viscount," objects. Marcus North, Viscount Draker -- bastard son of the Prince of Wales -- is rumored to be a monster who holds women captive in his dark castle to have his way with them. He has been exiled from polite society for years. But when Lady Regina makes a plea on her brother's behalf, Marcus proposes an outrageous deal: her brother can court Louisa so long as Marcus can court Regina. Can the beauty and the beast survive a proper courtship when the devastatingly improper passion between them threatens to cause the scandal of the century?
