[Amazon.com: The Limits of Grammaticalization \(Typological](#)

The earliest use of the term grammaticalization was to refer to the process whereby lexical words of a language (such as English keep in he keeps bees ) become grammatical forms (such as the auxiliary in he keeps looking at me ). Changes of this kind, which involve semantic fading and a downshift from a major to a minor category, have generally been agreed to come under the heading of ...

[The limits of grammaticalization \(Book, 1998\) \[WorldCat.org\]](#)

This chapter introduces the goal of this volume: to identify aspects of grammaticalization that correlate with typological features of languages. It sets out the question of what ultimately drives or motivates grammaticalization and the role that typological features play—mainly phonological and morphological features but also, to a lesser extent, in syntax and semantics.

[Grammaticalization from a Typological Perspective - Heiko](#)

Intensive contact brings about diffusion of grammatical categories. Grammaticalization of lexical items is one of the mechanisms at play as languages converge and new categories develop. In a situation of intensive contact-induced change, the forms to be grammaticalized, and semantic changes involved, may turn out to be somewhat unexpected, forcing us to reconsider potential constraints on ...

[Areal diffusion and the limits of grammaticalization: An](#)

In historical linguistics and language change, grammaticalization (also known as grammatization or grammaticization) ' a process of language ' change by which words representing objects and actions (i.e. nouns and verbs) become grammatical markers (affixes, prepositions, etc.).Thus it creates new function words by a process other than deriving them from existing bound, inflectional ...

While grammaticalization at its core is a unidirectional phenomenon, in which the same pathways of change are replicated across languages, certain language types and language areas have distinct preferences with respect to what they grammaticalize and how.

[Grammaticalization from a Typological Perspective | Oxford](#)

The study of grammaticalization raises a number of fundamental theoretical issues pertaining to the relation of langue and parole, creativity and automatic coding, synchrony and diachrony, categoriality and continua, typological characteristics and language-specific forms, etc., and therefore challenges some of the basic tenets of twentieth century linguistics.This two-volume work presents a ...

[Amazon.com: Approaches to Grammaticalization: Volume I](#)

In this chapter, we try to present typical processes of grammaticalization in Japanese and Korean, and investigate which processes may particularly contribute to the discussion of theoretical aspects of grammaticalization. The processes introduced in some detail are the grammaticalization of converbs, of deverbal postpositions, and of nouns marking categories in the verb phrase as typical ...
