1 The Mother And Daughters

Project How

In The Mother-Daughter Project, we discovered the simple but revolutionary idea that by joining together in small groups, ordinary mothers and daughters can thrive by facing the challenges of adolescence together.

Mothers and daughters love staying close and having fun while taking on the hottest issues girls and women face.

connection that will last a lifetime. SuEllen Hamkins, MD, and Renée Schultz, MA, originally created the Mother-Daughter Project with other women in their community in the hopes of strengthening their bonds with their then seven-year-old girls. The group met regularly to speak frankly about such issues as friendships and aggression, puberty, body image, drugs, and sexuality. The results were amazing: confident, assertive teenage girls with strong self-images and close ties to their moms. Equally important, the mothers navigated their own concerns about adolescence with

Download Free The Mother Daughter Project How

integrity and grace. From their dedication and efforts arose The Mother-Daughter Project, an incredibly useful parenting handbook that details the success of the Project's groundbreaking model, providing mothers with a road map for staying close with their own daughters through adolescence and beyond.

Documents the findings and methods of the Mother-Daughter Project to outline a program for staying connected with one's daughter throughout her adolescence, in a guide that addresses such key issues as self-esteem, drugs, and

*Finalist for the 2021
Pen/Faulkner Award for

Fiction* From the author of
Girls on Fire comes a “sharp
and soulful and ferociously
insightful” (Leslie Jamison)
novel centered around a
woman with no memory, the
scientists studying her, and
the daughter who longs to
understand. Wendy Doe is a
woman with no past and no
future. Without any memory
of who she is, she’s
diagnosed with dissociative
fugue, a temporary amnesia
that could lift at any
moment—or never at all—and
invited by Dr. Benjamin
Strauss to submit herself

Download Free The Mother Daughter Project How

for experimental observation at his Meadowlark Institute for Memory Research. With few better options, Wendy feels she has no choice. To Dr. Strauss, Wendy is a female body, subject to his investigation and control. To Strauss's ambitious student, Lizzie Epstein, she's an object of fascination, a mirror of Lizzie's own desires, and an invitation to wonder: once a woman is untethered from all past and present obligations of womanhood, who is she allowed to become? To Alice, the daughter she left behind, Wendy Doe is an absence so present it threatens to tear Alice's

Download Free The Mother Daughter Project How

world apart. Through their attempts to untangle Wendy's identity—as well as her struggle to construct a new self—Wasserman has crafted an “artful meditation on memory and identity” (The New York Times Book Review) and a journey of discovery, reckoning, and reclamation. “A timely examination of memory, womanhood and power,” (Time) Mother Daughter Widow Wife will leave you “utterly riveted” (BuzzFeed).

Mother-daughter relationships can be wonderful and powerful. They can also be stressful, challenging, and painful;

Through Adulthood

yet they are often delicate and tender. After losing her mother, Kim shares that strengthening her own mother-daughter relationship was more important than ever. Kim's and Lee's personal reflections in this book from family, to real life challenges, to faith, are attempts to open the dialogue between family members and communities. They share some of their vulnerabilities and pains in hopes that this kind of sharing will encourage others to engage in similar intimate dialogue.

"Mom, I'm gay." With three little words, gay children

can change their parents' lives forever. Yet at the same times it's a chance for those parents to realize nothing, really, has changed at all; same kid, same life, same bond of enduring love. Twenty years ago, during a walk on a Mississippi beach, Ellen DeGeneres spoke those simple, powerful words to her mother. That emotional moment eventually brought mother and daughter closer than ever, but not without a struggle. Coming from a republican family with conservative values, Betty needed time and education to understand her daughter's homosexuality -- but her ultimate acceptance would

Download Free The Mother Daughter Project How

set the stage for a far more public coming out, one that would change history. In Love, Ellen, Betty DeGeneres tells her story; the complicated path to acceptance and the deepening of her friendship with her daughter; the media's scrutiny of their family life; the painful and often inspiring stories she's heard on the road as the first non-gay spokesperson for the Human Rights Campaigns National Coming Out Project. With a mother's love, clear minded common sense, and hard won wisdom, Betty DeGeneres offers up her own very personal memoir to help parents understand

their gay children, and to help sons and daughters who have been rejected by their families feel less alone.

Through Adolescence

A guide for building empowering new relationships between mother and daughter offers strategies for overcoming the common crises that result in diminished potential and loss of self-esteem for adolescent girls. 75,000 first printing. \$100,000 ad/promo. Tour.

A mother's advice to her daughter--a guide to daily living, both practical and sublime--with full-color

Download Free The Mother Daughter Project How

illustrations throughout.

One sleepless night while she was in her early twenties, illustrator/writer Hallie Bateman had a painful realization: her mom would die, and after she died she would be gone. The prospect was devastating, and also scary--how would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss--advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step

Download Free The Mother Daughter Project How

instructions for her to follow in the event of her mom's death. The list began: "Pour yourself a stiff glass of whiskey and make some fajitas" and continued from there, walking Hallie through the days, months, and years of life after loss, with motherly guidance and support, addressing issues great and small--from choosing a life partner to baking a quiche. The project became a way for mother and daughter to connect with humor, openness, and gratitude. It led to this book. Combining Suzy's wit and heartfelt advice with Hallie's quirky and colorful style, What to Do When I'm

Download Free The Mother Daughter Project How

Gone is the illustrated instruction manual for getting through life without one's mom. It's also a poignant look at loss, love, and taking things one moment at a time. By turns whimsical, funny, touching, and above all pragmatic, it will leave readers laughing and teary-eyed. And it will spur conversations that enrich family members' understanding of one another.

The comedienne and actress draws on diary entries, correspondence, and family memories to present a tribute to her late daughter that traces Carrie's
