The World Geography Quick Starts workbook features a review of general geography terms and map skills, as well as units focusing on the seven continents: Africa, Antarctica, Asia, Australia & Oseania, Europe, North America, and South America. Activities include matching, short answer, true/false, word games, and map activities. Each page features two to four quick starts that can be cut apart and used separately. The entire page may also be used as a whole-class or individual assignment. The Quick Starts Series provides students in grades 4 through 8+ with quick review activities in science, math, language arts, and social studies. The activities provide students with a quick start for the day's lesson and help students build and maintain a powerful domain-specific vocabulary. Each book is correlated to current state, national, and provincial standards. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.

Bring the world into your classroom with this one-of-a-kind resource that covers teaching strategies for Geography. These strategies have been classroom-tested and are designed to encourage higher-level thinking as students play games, complete puzzles, adn more. Assessment forms and student achievement certificates are also included.
