Installation Manual - Compustar

Hello People, Please HELP me out. I have a 96 Honda Accord with R7000 CompuStar security system and because of the snow storm in Toronto, my car was kept aside for 3 days and that killed the battery. After a jump it did work for a while and again the battery seems dead. With a portable battery pack or jump with cables from another car, the car ignition is working but the car will not start.
