Huxley, he makes
some predictions in
1931 that we today. In

Access Free Dialectical Journal For Brave New World

this novel we find that the predictions that are made are often related to modern day , 2013. There is many examples, but the four I will talk about today are how advertisements effect the way we view people and things, how birth control leads to promiscuity, how the use of medication is a substance for pain and how cloning is used.
