The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

### Fogchart Fog Charts

Fog charts list landmarks and distances along a line so that a crew can refer to it when running in foggy conditions. For example, when passing signal 2372 in the fog, the chart will list the distance to the next signal, as well as any road crossings or other visible landmarks. It comes in handy when fog reduces visibility to a matter of feet.

Freadman's Fog charts are railroad charts for the working train and engine crews to help promote safety through knowledge.

### Press About fogchart.com - Fog Charts

A fog chart is used and alot of times made by crews to navigate the tracks they run on in the fog and bad weather, using distinctive objects clearly identifiable and near the tracks, to keep track of where they are on the territory. It is very good for knowing where your signals are, and not blowing through a red signal.
