Global Elite Group was founded in 2002 by William McGuire, our current President and CEO. Originally Global Security Associates, the current name was established in 2009 due to an impressive expansion of services in the areas of emergency management, corporate contingency consulting and planning, personal protection services, event security, K-9 detection units, crowd control and asset protection.

### **About Us - Global Elite Group**

Our mission at Global Gardens is to empower students in low-income communities to be agents of change in their own lives and communities through hands on science and peace education. We believe helping students create a garden is a way to not only assist them in learning about science, health and the environment but also challenge them to become caring, forward-thinking and confident individuals.
