I am seeking employment and in Sutter Gould in Stackton, CA there is a pre screening exam. If anyone has taken this exam please let me know what type of material to study for. Is it more on Medical abbreviations or Suffixes? Drug Classification (Schedules)? Dosage Calculations? I appreciate the help, Thanks.

Can anyone give me some pointers on the pre screening exam ...

The Criteria Basic Skills Test (CBST) is very popular with employers screening prospective MAs, as it tests traits such as verbal and communication skills, basic math, attention to detail, and reading comprehension, all crucial elements of job readiness in this particular field. It has been shown to predict "trainability" and to reduce turnover.
