The Ethics of Assistance: Morality and the Distant Needy ...

Both morality and ethics loosely have to do with distinguishing the difference between "good and bad" or "right and wrong." Many people think of morality as something that's personal and normative, whereas ethics is the standards of "good and bad" distinguished by a certain community or social setting.

Assisted reproduction can raise complicated ethical challenges for the individuals involved, health care professionals, and the greater society. Infertility treatments today create new definitions of parents and children and require a rethinking of the conventional notions of family. For families facing infertility, decisions about family building become complex. One ethical dilemma associated ...

The Ethics of Assisted Reproductive Technologies - Our ...

Those who oppose any measures permitting assisted suicide argue that society has a moral duty to protect and to preserve all life. To allow people to assist others in destroying their lives violates a fundamental duty we have to respect human life. A society committed to preserving and protecting life should not commission people to destroy it.
