While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Though G-d appears far beyond our reach, beyond this world and beyond all galaxies, in the highest heavenly realm lies G-d's Throne of Glory; how far away G-d seems from us! But in truth there is none as close to us as He is. How close? Close enough to hear us whisper

### **The Power of a Whisper - hidabroot.com**

Three powerful words that are usually whispered the first time someone tries to explain why they didn't fight back or speak in the aftermath. "I am hurt.". Three equally powerful words typically spoken softly by someone who is fearful of the shame and potential for further injury. Yet, words spoken can be healing.
